Find the Perfect Fit – Volunteer with a Foundation Committee!

Hello EYC and Community Members!

Our 2015 Standing Committees were established at our March 23 Board meeting and are open to participation by EYC and community members. Our committee leadership is dynamic and energized and looking for volunteers with passion to join their teams. If you have an interest in working with a particular committee, please reach out to the committee chair or to me at eycfoundation@gmail.com and I will forward your email to the appropriate committee chair. We look forward to hearing from you!
