

Summer is the time to explore marine & maritime careers!

There are tons of exhibits and festivals in this area as well as lots of activity on the water. While you're out of school, take some time to get out and look around the area, to explore some careers online, and to start making connections to cool careers.

Here are some cool spots and events to check out in June!

Annapolis Maritime Museum

FREE Admission

Learn how to harvest oysters or climb aboard a locally built workboat.

Hours: Thurs - Sun from 11am-3pm

723 Second St., Annapolis, MD 21403

amaritime.org

U.S. Naval Academy Museum

FREE Admission

Hours: Mon - Sat 9am-5pm,

Sun 11am-5pm

June 16-18, check out some of the area's finest classic boats, nautical and maritime treasures, entertainment, food at this waterfront festival. cbmm.org

Check out these goslings leaving their nest. Crazy!!!

While you are there, check out all ***Chesapeake Bay Foundation*** does!

Custom Boatbuilding & Boatshop Reports

Think you might be interested in boatbuilding, check out this report from the latest PropTalk magazine! proptalk.com

Schooner Woodwind is hiring!

Do you want to have fun in the sun and make good \$\$? Multiple positions available! If you over 18 and looking for a summer job working on the water, apply online at: schoonerwoodwind.com

Are you a high school graduate headed to a career in the Marine or Maritime Industry?

If so, don't miss the June 15 deadline to apply for an EYC Foundation Scholarship.

The EYC Foundation scholarships provide financial support to high school graduates pursuing a trade or college degree. The scholarships are provided directly to the schools, in support of tuition, up to a maximum of \$2,000 per school year. The Foundation's goal is to stay with the students throughout their entire training or degree program as long as they meet the minimum program requirements and to provide a mentor for each scholarship recipient.
